

## WHAT'S CLUB CMT?

We are thrilled to announce another year of Club CMT, a program designed for Mainstage performers that, we hope, allows YOU to experience CMT in a brand new way, and to be the first generation of performers that leads us into an exciting future. We currently have 66 members and we hope that you will be the next to join us. As a father of two Mainstage performers, I know all-too-well how many new opportunities there are for you to pursue right now; that is why we are so lucky that, between school and clubs and other activities, you still want to make CMT a priority in your life. We have designed Club CMT to celebrate the fact that you are a priority in all of our lives, as well.

We hope that you will join us in our 44<sup>th</sup> Season as a member of Club CMT!
