A NOTE FROM THE DIRECTOR

IN THE HEIGHTS is a story of a community coming together to beat the odds. As I sit in my living room on video call after video call with people that are working to create new virtual rehearsal opportunities, I am reminded of the innovation of Sonny, the faith of Abuela, the heart of Usnavi, the thoughtfulness of Nina, the compassion of Daniela and Carla, the dreams of Vanessa, the drive of Camila and Kevin, the charisma of Benny, the work ethic of the Piraguero, the artistry of Graffiti Pete, and the LOVE of the entire community of characters in Washington Heights. While there is no clear path forward, there is hope for all of us to connect in a new way and show that the arts are alive - no matter the outcome. I am incredibly heartened and grateful to be working with a team that is as creative and compassionate as Sarah, Rudy, DLP, Kelly, and Anthony - and leaders that are as inspiring as Dana and Kevin. I feel equally as grateful that each and every one of you felt moved enough by this story to decide to spend your spring with us. YOU are the reason why we are continuing in the only way we can. I want to close this message by encouraging you to practice kindness and love throughout all of this - if we lead with kindness and love then we already start the process as winners.

Paciencia y Fe,

Kristen Hermosillo
