School of Rock
- YOUTH AUDITIONS

We're excited to begin work on our 2023-2024 Marquee season! In casting age-appropriate performers for School of Rock, we hope to create not only an outlet for experienced Bay Area performers, but also an opportunity for CMT alumni and new friends to perform as well! It is always a treat for us when we get to include young performers in our Marquee Productions. Both Marquee productions will be presented as a benefit for all the programs at CMT San Jose and performed at the historic Montgomery Theater in downtown San Jose.

Performances: April 12–21, 2024
