

Chutney – Scene

ELLE

Miss Wyndham, what was your relationship to the deceased?

CHUTNEY

He was my father.

ELLE

Did you actually see his murder take place?

CHUTNEY

No... I was in the shower. But when I got out, Brooke was standing over my father's body, drenched in his blood.

The COURTROOM erupts with this revelation.

ELLE

Miss Wyndham... On the day your father was killed, did you see anyone suspicious hanging around?

CHUTNEY

(sarcastic)

Suspiciously hanging around my shower?

The COURTROOM laughs with her at ELLE

ELLE

No before that.

CHUTNEY

I was out getting a perm.

ELLE

(still puzzled)

And then you came home and took a shower?

CHUTNEY

(DUH)

YES. I was in the *shower*.
